Chock-full of research, how-tos, and tips, this inventive cookbook offers a practical, playful, and delicious approach to improving your digestion, energy, and moods. You’ll also get entertaining stories along the way that remind you to add joy back onto your plate and into your life. Plus, you’ll find out how Louise not only starts her day with bone broth, but uses it as an ingredient in many of her meals as well—discovering why it is one of her secrets to vibrant wellness and longevity.

*“Wherever I go, I’m asked, ‘How do you stay so healthy and young?’ Or I’m complimented on how beautiful my skin, hair, and nails look. I always say that the key is positive thoughts and healthy food. For many years, the staple of my diet has been bone broth. My doctors keep pointing out that my blood tests and other health-test results are better than people half my age. I tell them, ‘I’m a big, strong, healthy girl!’ Then I talk about bone broth. I want everyone to know about it because I believe it is an integral part of my health, energy, and vitality.”*
