MANAGEMENT AND SUPERVISION IN LAW ENFORCEMENT, 6th edition is a practical and straightforward book that focuses on law enforcement managers and supervisors, their jobs, and the complicated interrelationships between members of the law enforcement team and the communities they share. This new edition adds Chief Shaun LaDue as a contributor to give a practitioner's perspective to management and supervision. Additionally, the text has an increased emphasis on leadership and has been reorganized to begin the text focusing on management. The text focuses on post-9/11 policing and includes research on the effects of 9/11 as well as data driven policing, including CompStat policing, intelligence-led policing and evidence based policing.
