## **BOOK SYNOPSIS**

The ONLY review book for the Neonatal-Perinatal Medicine board exam This comprehensive review for the Neonatal-Perinatal Medicine board exam includes everything test takers need for exam success: thorough concept reviews, full-color illustrations, highlighted key points, and case-based Q&A. The content is weighted to match that of the exam, so students know they are spending just the right amount of time on each topic. The authors of the book are uniquely qualified to create such a book as they currently run exam review workshops and have many years of experience preparing residents and physicians for the examination. This is a particularly valuable entry into the McGraw-Hill Medical test prep line as neonatology is the most popular pediatric subspecialty. Includes 4-color insert of neonatal dermatology and infectious disease illustrations Each chapter includes clinical vignettes with board-style Q&A
