BOOK SYNOPSIS

Millions of Americans enjoy camping in state parks every year. This book is designed to make finding RV-friendly state parks easier. The book contains information on more than 1,730 state parks, forests, and recreation areas in 49 states that offer accommodations for RVers. RV Camping in State Parks provides a map and park locator chart for each state, an overview of each states park system, information about reservations and fees, plus contact information with phone number and web addresses. The details for each park include location, directions, GPS coordinates, and contact information. Also provided is the number and type of hookups, season of operation, RV length limit, and availability of showers, dump station, Wi-Fi, and more.
