BOOK SYNOPSIS

Succeed in your future career with THE PRINCIPALSHIP! This education text prepares you for your role as principal by addressing topics and issues faced daily by every principal at every school level, including curriculum development and implementation, professional development, developing effective communications, budgeting and school facilities, creating safe schools, community relations, ethics, and legal issues. End-of-chapter Field-Based Activities, current examples of effective school practice, and integrative case help you gain a better understanding of the day-to-day experience of principals and apply important concepts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
